LIONS RUGBY ANTHEM

Learn the lyrics!

WE ARE THE LIONS, OH-OH

We like to move like that, like that

We are the Lions, oh-oh

We like to move like that, like that

This is the time, this is the place

Where we roar! The place where we win!

Dit is die tyd, Dit is die plek

(This is the time, this is the place)

Siyabhonga! Siyaphumelela!

(We roar! We win! - isiZulu)

We've come a long way

Since the day that we started

When our dreams were bigger than
mountains

Nobody said that we're gonna make it

But look at us now, look at us now

We're sitting on top of the world

Everybody knows it, everybody knows it

This time we're winning the gold

Everybody knows it, everybody knows it

WE ARE THE LIONS, OH-OH

We like to move like that, like that

We are the Lions, oh-oh

We like to move like that, like that

This is the time, this is the place

Where we roar! The place where we win!

Dit is die tyd, Dit is die plek

(This is the time, this is the place)

Siyabhonga! Siyaphumelela!

(We roar! We win! - isiZulu)

Siyabhhhhooooonga!

We've come to fight, siyaphumelela

Siyabhhhhooooonga!

The red and the white, siyaphumelela

We're sitting on top of the world

Wonk' umt' uyayazi, Wonk' umt' uyayazi

This time we're winning the gold

Wonk' umt' uyayazi, Wonk' umt' uyayazi

(Everyone knows, everyone knows -

isiXhosa)
